

MyNORCAL®

MyNORCAL® App

The MyNORCAL app for iOS and Android provides fast, simple and convenient access to CME articles and interactive quizzes, allowing you to receive CME credit and certificates while on the go or away from your computer. Now you can read the CME materials, take the quizzes, and print/email your CME certificates right from the app.

The MyNORCAL app has all the same CME materials available in your MyACCOUNT, plus it automatically syncs your CME activity with your MyACCOUNT and with your other devices. You may even receive a discount on your insurance premium by participating in NORCAL Group CME activities.

Earn CME credits anytime, anywhere.

Satisfy state licensing requirements by earning CME credits wherever your busy day takes you.
